SERMON NOTES:

What stood out in this week's sermon? (Theme, phrase, reference, etc.) What questions stir up within you? What do you want to explore further on your own this week?

FOR FURTHER THOUGHT

After years of suffering and isolation, the woman reaches out in desperation just to touch the fringe of Jesus' cloak. In a crowded street full of noise and urgency, Jesus stops and notices her. More than healing her body, he restores her dignity by calling her "daughter." Faith in this moment is not perfect certainty or flawless belief, it is the courage to reach toward Jesus even while wounded and afraid. The miracle reminds us that Christ sees the people others overlook and responds with compassion. No suffering, shame, or distance can place us beyond the reach of Christ's healing presence.

CONSIDER:

What part of your life needs the courage to reach out toward Christ, trusting that he sees you with compassion rather than judgment?

Who in your life may be reaching out with full faith? Do we see or notice them? Are we helping or hindering?
